DEATH AND BURIAL OF NELSON C. BURCH

**Former Tropico Citizen Passes on and
Remains Are Brought Here**

Nelson C. Burch, who, with his family, took a prominent part in the social and political affairs of this community for a long time, died last Friday at Ventura, at the ripe age of 84 years. In spite of his advanced years, Mr. Burch continued his activities, both of mind and body, up to the very last. The immediate cause of his death was cancer of the stomach.

Mr. Burch was a newspaper man and during his residence here contributed to the local papers comprehensive articles on the subjects of the day. He was one of the best posted men it was ever our privilege to meet, and he had the happy faculty of being able to express his views in such a manner as to enlighten and convince his readers.

During the Civil War he served on Lincoln's bodyguard and after the struggle he was for a time in the pension department at Washington. About that time he studied law and forty years ago was admitted to the bar.

The news of his death came as a distinct shock to the many old friends here. He leaves one son, O. E. Bruch of Fillmore, with whom he had made his home for the past two years, and a daughter, Mrs. Lewis Wagner, of Denver, Colo.

Funeral services were held Sunday afternoon at 3 o'clock in the L. G. Scovern Co. parlors, in charge of Unity Lodge, F. and A. Masons, and burial was made in Grandview Cemetery.

All present were deeply touched by the eloquent tributes paid this dis-

tinguished and exemplary character by the pastor of the church at Fillmore, where Mr. Burch was an ardent worker. It is to be regretted that no notice was given of the funeral and so few knew of it. Delegations of the K. P. and Masonic fraternities were present.

OPENS BRANCH OFFICE IN GLENDALE

Attorney Dwight W. Stephenson announces the opening of a branch office at the Glendale National Bank, corner of Brand Boulevard and Cypress Street, where he will be pleased to meet his friends from 8 to 10 a. m. Appointments may be made by calling Glendale 811-W or Pico 3120. From 10 a. m. to 5 p. m. Mr. Stephenson will be at his main office, Suite 722 Merchants National Bank Building, Los Angeles.

GROSE VULCANIZING CO. MOVES

The Grose Vulcanizing Co. is moving to its new location at the corner of Maryland and Broadway and will soon be in a position to serve its many friends and patrons.

They have a most unique and attractive combination of store rooms, filling station and parking space, which must be seen to be appreciated, and customers will find the service equal to the outward appearance.

SCHOOLS TO OPEN SEPT 15.

September 15th is the date announced for the opening of the schools of Glendale. Both the Grammar and High Schools will open on this date and a large attendance is anticipated.

A COMBINED SURPRISE

Miss Helen Spangler, a bride-to-be, and Miss Adele Walker, who leaves Glendale soon, were guests of honor at a delightful party given by the "52-A" girls at the W. Francy home on Ivy Street last week, in which each thought the "surprise" was on the other.

Twenty-seven guests were present, the Tropico locality being well represented. Refreshments were served. Miss Walker was presented with a set of beautiful spoons, and the bride-to-be was showered with many useful and beautiful presents.

THOMAS E. GAITHER DIES

Thomas E. Gaither of East Cypress Street died Tuesday at the hospital in Los Angeles, where he was taken some weeks ago in vain hope that something could be done to benefit him.

He was 68 years old. The family came to Tropico in 1906 and their many friends will join us in sympathy with the wife and son who are left to mourn.

The funeral services were held Thursday at the Scovern parlors, conducted by the Elks' Lodge, of which he was a member, and interment was made in Grand View Cemetery.

Rev. and Mrs. H. S. Munger and Mrs. Tisdale were Saturday visitors at Long Beach.

Mr. and Mrs. S. D. Vantine spent the week at Santa Monica, the guests of Mrs. McEntire.

It is never too late to devote some time to study—if only a few minutes each day.

TROPICO HERALD

"Entered as second-class matter January 25, 1918, at the post office at Los Angeles, Cal., under the Act of March 3, 1879." :: Devoted to the best interests and future welfare of Glendale, San Fernando Valley and Southern California. :: Telephone, Glendale 1500 :: Subscription, \$1.00 per year :: Advertising rates upon request.

The following is an extract from a letter of Senator James D. Phelan to the Director General of Railroads, which speaks for itself:

"There is in California a very widespread resentment of the encroachment of Japanese in all fields of endeavor. First their presence affected only agricultural pursuits, but now we find them invading the industries and taking up their residences in the most exclusive residential sections of our big cities. California and Californians are awake to this menace which grows with its growth and strengthens with its strength. They realize that Japanese competition is deadly to the preservation of our American ideals and institutions, and to our Western civilization."

"You will, I am sure, leave no stone unturned to correct the conditions in Los Angeles where aliens, ineligible to citizenship, are given employment over honorably discharged soldiers and sailors just back from the service of their country."

PROCEEDINGS OF BOARD OF TRUSTEES

The Regular meeting of the Board of Trustees was held August 14, 1919. The Board assembled at 8:10 p. m. Present, Trustees Henry, Jackson and Shaw; absent, Trustees Muhleman and Woodberry. The City Clerk called the meeting to order and Trustee Jackson was elected chairman pro tem. The minutes of the regular meeting of August 7 were read and approved.

Regarding Sewage Disposal

A committee appointed at a meeting of the Anti-Annexation Associa-

tion, consisting of W. E. Hewitt, F. H. Vesper, Roy Kent and Albert Pearce, was present, and Messrs. Hewitt and Vesper, speaking for the committee, addressed the Board on the subject of a sewer system, particularly for the business district of the city of Glendale. In connection with this subject, a letter was read from Olmstead & Gillelen, consulting engineers, stating that in response to request made by the City Manager the firm submitted the following proposition: To design a sewerage system for the congested business section of Glendale, with proper disposal which will harmonize as far as possible with the general plan for sewerage of the entire city in the best possible manner and in accordance with the most modern practice. The firm undertakes to investigate all the physical data relative to the work, and furnish plans and specifications for the same. The proposition includes all engineering work, both in the office and field, but does not include the naming or the paying of inspectors, which matter is left directly in the hands of the city. In return for these services the firm is to receive a return of 6 per cent of any bond issue or issues which may be voted affirmatively and sold by the city of Glendale for the purpose of constructing the works herein contemplated. Out of this 6 per cent commission is to be deducted initial payment of \$500, to be made upon the submission to the Board of Trustees of a complete report, not later than November 15, 1919. The \$500 to constitute the only fee in case the money for executing the plans is not forthcoming.

Following the reading of this proposition, Mr. Olmstead addressed the Board. On motion of Trustee Shaw, it was ordered that the proposition submitted by Olmstead & Gillelen be accepted.

Communications

A communication was read from O. A. Smith, general passenger agent of the Pacific Electric Railway Co of Los Angeles, requesting that he be informed when a public hearing is had before the Trustees on the application of Harry A. Wilson for permission to operate a motor buss service through the city of Glendale between Pasadena and Ocean Park. Communication was filed.

A protest was read, signed by Mrs. I. Thompson and C. E. Cook, against closing a street running from Palmer Avenue south, between Hill and Adams streets, the protest stating that the public had had use of the street for the past six years unrestricted. On motion of Trustee Shaw, the matter was referred to the City Engineer.

An invitation was read from the Mayor of the City of Venice, asking that the City of Glendale be represented at a reception to be given in Venice Sunday afternoon next, to Admiral Rodman. On motion of Trustee Henry, the City Attorney was authorized to represent the city on that occasion.

An application was presented from M. F. Goetz for permit to conduct an auto business in the city of Glendale. Being approved by the City Manager, it was, on motion of Trustee Henry, granted.

Application was presented from E. Mader, asking permission to discharge firearms within the city limits, in shooting ground squirrels on his own property. On motion of Trustee Henry, the permit was granted, to apply only to the use of firearms on the applicant's own property.

Application to do street work by private contract was read from H. M. Wood, the work consisting of cement sidewalk on the corner of Adams Street and California Avenue. The same being approved by the City Man-

Assessed Valuation of Glendale

The City Clerk reported having received from the County Auditor a statement of the assessed valuation of the City of Glendale, as shown on the tax rolls for the fiscal year 1919-1920. The statement was accompanied by a request that the auditor be advised promptly in regard to the tax rate. Total valuation of property in the city, as shown by this statement for taxation purposes, is \$7,463,440.

Regarding Flood Control and Brand

Boulevard Bridge

The City Manager presented a report, consisting of a copy of a letter addressed to Mr. F. W. Regan, engineer Los Angeles County Flood Control District, by the committee appointed at the last Trustees' meeting to investigate and report upon the kind of piling which, in the opinion of the committee, should be used for protection along the Verdugo Wash. The letter states that the two-inch iron piling used by the county in similar work in other places seems to be the most desirable from every point of view.

The City Manager presented a report in regard to protection work for Verdugo Canyon Wash and the Brand Boulevard bridge, showing that the employees of the Los Angeles Flood Control Commission have been at work during the last ten days laying out the official channel from Canada Boulevard to San Fernando Road, and also that advice had been received from the engineer of the Pacific Electric Railway Co. to the effect that the reconstruction of the company's tracks

and the installation of a span bridge over the new proposed flood channel at Verdugo Wash has been approved, and that the company will work with the county officials in the prompt construction of the same. Total cost of these improvements will be approximately \$70,000.

Regarding Annual Audit of Books

The City Manager presented a communication, stating that the accounts of the city for the fiscal year ending June 30, 1919, are closed and ready for the annual audit. The matter was discussed briefly, but no action taken.

Transfer of Funds

On motion of Trustee Shaw, it was ordered that the sum of \$579.17 be transferred from the Sycamore Canyon Opening and Widening Fund to the General Budget Fund.

Mr. P. Diederich was authorized to appear before the Railroad Commission at its meeting of August 15, 1919, at 10 a. m., in reference to the hearing before that body of the application of the Sycamore Canyon Water Co.

Redemption of Max Muir Lots

The City Attorney submitted a report on the matter of the redemption of certain lots in the Max Muir Tract, recommending that the city accept the

sum of \$388.45 for quit claim deed to the property. On motion of Trustee Shaw, the recommendation of the City Attorney in regard to this matter was concurred in and it was ordered that action be taken accordingly.

City Attorney

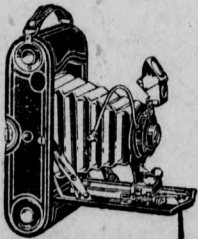

The City Attorney reported having received a copy of the order of the Railroad Commission for the hearing in San Francisco on Sept. 2, 1919, at 10 a. m., on the matter of telephone rates.

RED-HEADED GIRLS AT VENICE

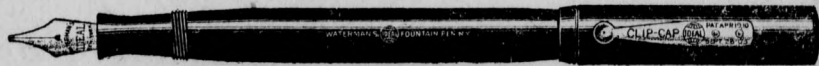

On Sunday, August 17, Venice will stage her second Red Haired Girls' parade. It will be a day of universal sunshine, with the red-haired girl the guest of honor. There will be tall red heads, short red heads, medium red heads, plump and thin red heads and mostly all pretty red heads, that will, in gladsome array, parade down the Ocean Front walk.

ATWATER PARK ACTIVITIES

We are interested in hearing what our neighbors are doing these busy days, when the entire country is coming into her own of prosperity and success. We have struggled through a trying period; each citizen has put their shoulder to the plough to do their "bit" for the great experience the world has gone through, and they have done it with their whole hearts. Now we are seeing our returns coming in. We are all glad to hear of each other's success.

California is a land of sunshine, flowers, yes, and homes. The first

we have always with us, the second is bound to be the expression of the first, and the others are coming as fast as possible from the awakened activity in Atwater Park. Many lots have been bought by enthusiastic purchasers who are to start building immediately, for they cannot help recognizing the future this delightful location holds out for lovers of homes. Those that already are here saw that, when they first began to make it one of the choicest pieces of property in the Valley.

Among those who have recently purchased homes in the Park are Mr. and Mrs. Harrison Kimble and Mr. John H. Show. There are to be built

at once, by Mr. Mellon of Los Angeles, four attractive bungalows, which they have broken ground for this week, and four more are to be started within a very short time by other parties.

Tonight, Saturday, August 16, D. W. Griffith will present Dorothy Gish, the full of pep comedienne, in "Nugget Nell." This is her latest picture since "I'll Get Him Yet," and is a snappy farce comedy of the Wild West. A two-reel Mack Sennett stunt comedy, "Hearts and Flowers," and Bray Cartoons and Pictographs are on the bill.

On Sunday, August 17, King W. Vidor, creator of "The Turn in the Road," presents his latest big special attraction, "Better Times." This show comes direct to the Palace Grand after three weeks on Broadway. It is a comedy drama of very unusual amusement, featuring an all-star cast. Also a two-reel comedy, "Beresford of the Baboons," taken from "Tarzan of the Apes."

Monday, August 18, will be shown a

special William Fox standard production of the astounding story of "The Caillaux Case," featuring an all-star cast. On the same bill will be the Gaumont Latest World News and Outing Chester Pictures.

Evelyn Nesbit and her son, Harry Thaw, are coming Tuesday, August 19, in "I Want to Forget." This is a powerful love drama in which a butterfly redeems her soul. A Harold Lloyd Comedy and Bruce Wonder Mountain Pictures complete the bill.

Norma Talmadge is coming Wednesday, August 20, in "The Way of a Woman." This is the latest triumph of the great star of many successful pictures. "The Way of a Woman" is the truest, the finest way. The story is adapted from Eugene Walter's famous stage play, "Nancy Lee." The Latest Pathe News and a Lyons and Moran comedy serve to round out a

thoroughly pleasing bill.

Thursday, August 21, the Palace Grand will present a brand new photoplay sensation direct to their patrons.
